More Info

BioClean Gloves - Nerva BNAL

The 400mm (16") BioClean Nerva™ Nitrile Gloves provide elbow length protection. With excellent ESD properties, resistance to a wide range of chemicals, and latex-free, these white, ambidextrous gloves feature a textured surface for enhanced grip and a beaded cuff for added strength.

Length: 400mm (16") length

Offer elbow length protection

Powder free, ISO Class 4 compatible and double bagged

The textured surface provides a good grip even in damp or wet operating environments

Nitrile is resistant to a wide range of chemicals

Latex-free to eliminate Type 1 latex allergies

Antistatic: Good ESD performance due to static dissipative properties
