A dangerous goods shipping surcharge will be applied to this product for shipments leaving the UK mainland

More Info

Sterile IPA Spray

SteriClean® Alcohol Spray uses an optimal mix of 70% v/v isopropyl alcohol (IPA) blended with 30% purified water for injection (WFI) and 0.2 micron filtered for use in aseptic areas.

Contained in an ergonomic and lightweight bottle design, Helapet sterile trigger sprays use a proven closed bag in bottle spray assembly to maintain sterility of contents by restricting the ingress of bacteria.

Format: 0.9L

Case of 6

Sterile, double bagged

Shelf life: 1 year from date of manufacture

Bag in bottle closed system ensures sterility of contents

Long length, non-venting trigger
