## More Info

Cleanroom or laboratory stainless steel centre table

No upstand - can be used as a centre table or pushed up against other tables to create a long workbench

No undershelf - can be used with seating as has leg room

Top manufactured from grade 304 stainless steel

Cross rail for added support

SST1-3 180KG weight bearing

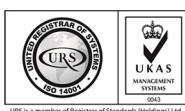

SST4-6 150KG weight bearing

Height adjustable feet to stabilise bench on uneven flooring, or castors are optional

These work benches are suitable for all standards of cleanrooms and are an alternative to fixed benching

Optional 2" radiused corners - 4 x round corners on the table top are a H&S feature, beneficial for if the table is used in a public environment

Deep clean recommended prior to use
