

Why Choose Face Mask - Sterile with Visor - Ear Loops - Pack of 25

Integral 3M anti-fog visor with elasticated earloops

Recommended ISO Class 4+

Sterile & double bagged

Pack size: 25 individually packed masks

Price shown is per pack

Bacterial Filtration Efficiency: >94%

Product code: VFM210-L

More Info

Face Mask Sterile with Visor and Elasticated Earloops

A sterile face mask and integrated visor with elasticated earloops

There is a clip on the earloops so they can be attached at the back of the head if preferred

Bacterial & particulate filtration

3 ply with a 3M anti-fog visor which is optically clear and distortion free

User comfort is assured with a hydrophilic layer to absorb moisture

Safety is enhanced by the hydrophobic outer layer that is liquid repellent

An economical solution to purchasing separate masks and glasses, then sterilising goggles
